

NONPROFIT 501C3 FREE PAINT REQUEST FORM

***** (WHILE SUPPLIES LAST!) *****

Organization: _____ Date: _____
Contact: _____ Ph: _____ Email: _____
Project description: _____

Please Note: We have approximately 2,000 gallons of high-quality interior and exterior paint products that we will be giving to area 501C3 Nonprofit Organizations. The clearance items are limited to an inventoried list of which all is slated for gifting to nonprofits. If you are not aware, any can of paint is pre-disposed to a certain sheen, as well as range or depth of color, called "tint bases." This simply means that once we receive your request for a given quantity in a given color, in a given sheen, we'll check our list and do our best to give you exactly what you have requested. However, we would recommend choosing a 2nd and maybe 3rd choice on color. These alternate color choices should be lighter or darker so that the request shifts to a different tint base required (increases the chances of getting what you're looking for!). Also, if possible, be a little flexible on the sheen. The sheen of most of the inventory to be given away is flat, eggshell, satin & semi-gloss. Thanks!

*** ORDERS PLACED BY MONDAY/NOON, CAN BE PICKED UP THAT FRIDAY, AFTER 12 NOON ***

Project Description:

Interior: _____ Exterior: _____ (check one)

Square Feet to be Painted (Important!): _____

Number of coats you want to apply: _____
